FILED UNDER 37 CFR 1.53(b)

Filing Date Granted

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given **TWO MONTHS** from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

- The application was filed in a language other than English. Applicant is required to provide an English translation of the specification and a statement that the translation is accurate. (See 37 CFR 1.52(d)).
- Because your specification was filed in a language other than English, the Office was unable to determine the number of claims submitted. Additional claim fees may be due once the number of claims can be determined.

The required item(s) identified below must be timely submitted to avoid abandonment:

Attorney: Leonard Holtz

Dated: July 8, 2002

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 06-1378.

Responsive to the Patent Office Notice mailed April 8, 2002, the term for response to which is extended by one month by Petition filed concurrently herewith to July 8, 2002, submitted herewith are the following:

Submitted concurrently herewith is a Preliminary Amendment. In the Preliminary Amendment, claims 1-85 have been canceled and new claims 86-170 have been substituted therefor. The original application contained 85 claims, 3 of which were independent. The present Preliminary Amendment also contains 85 claims, 3 of which are independent. Since the claim fee of \$1,910.00 has already been paid at the time of filing, it is deemed that no further filing fee is required. However, authorization is given to charge any additional fees which may be required, or to credit any overpayment, to Account No. 06-1378.

The fee of \$130.00 for filing a "Non-English Specification" was previously submitted with the filing of the application.

It is respectfully requested that prosecution on the merits now proceed.

Respectfully submitted,

Leonard Holtz, Esq.
